

LINCOLN AVIATOR®

2023

A gracefully elevated experience.

We are all driven to discover. To find those special places where we can create memories with our loved ones as well as on our own. Every now and then an extraordinary place comes to you. This is the 2023 Lincoln Aviator® 3-row large luxury SUV – your elegant escape.

**Embrace the path
before you.**

The Lincoln Aviator® welcome extends beyond what you see. It's the exhilarating feeling you get as you approach. The available Air Glide Suspension with Dynamic Lower Entry kneels to greet you. The available hands-free liftgate opens at your convenience. And the Light Touch Door Handles allow you to enter with ease.

The available Illumination Package is sure to brighten your journey. Adaptive Pixel LED Headlamps use Speed Dependent Lighting for additional light, spreading it more widely at slower speeds to highlight the area around and in front of your vehicle. This enlightening package also includes LED fog lamps and the illuminated Lincoln Star on the grille, for an added touch of welcoming warmth.

BEAUTIFUL TO BEHOLD

A thrilling union
of power and poise.

TWIN-TURBOCHARGED 3.0-LITER V6 ENGINE

Treat yourself to one of the most powerful and compelling engines in the Lincoln lineup: the Twin-Turbocharged 3.0-liter V6 that gives the Lincoln Aviator® 400 horsepower^{1,2} and 563 Nm of torque.^{1,2} This gasoline direct-injected engine is driven by Intelligent all-wheel drive. It's also mated to the 10-speed SelectShift® automatic transmission, which can adapt in real time, engaging the right gear at the right time giving you a refined drive that's smooth, sporty and sophisticated. There are 5 unique drive modes to tailor your trip: Normal, Conserve, Excite, Slippery and Deep Conditions. Each mode is intelligently engineered to improve your drive.

400

HORSEPOWER^{1,2}
(265 kW)

563

NM TORQUE^{1,2}

¹Horsepower ratings based on premium fuel per SAE J1349® standard. Torque ratings based on premium fuel per ISO 1585 standard. Your results may vary.
²Horsepower and torque are independent attributes and may not be achieved simultaneously.

U.S. model shown.

The convergence of elegance and comfort.

The Lincoln Aviator® interior is a beautiful place to call home when you're away from yours. It's a welcoming escape even before you shift into Drive. Step inside and experience the indulgent craftsmanship of every detail for yourself. The available power, panoramic Vista Roof® with power sunshade reveals the world to your passengers, while allowing plenty of light inside as well.

From the available Perfect Position 30-way front seats with massage functionality, to the available Quad-Zone Climate Control, you and your passengers can tailor each trip to your liking. And with the 10.1" LCD touchscreen in the center stack, convenient controls are ready to help enhance your journey with a touch.

U.S. model shown.

A GRAND PERSPECTIVE

**Space for the
sanctuary you seek.**

Thoughtfully designed with careful attention to detail and intuitive controls, the Lincoln Aviator® cabin is a destination unto itself. Offering you and your passengers a calm setting whenever it's needed, this spacious interior is designed to nurture you while inspiring a keen sense of your surroundings.

Seat belts not shown in order to provide a clear view of the vehicle interior.
Cargo and load capacity limited by weight and weight distribution.

VOICE-ACTIVATED SYNC® 3

COMMAND WITH YOUR VOICE

SYNC 3 voice-activated technology¹ connects your tech with your Lincoln Aviator® SUV, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 10.1" LCD capacitive touchscreen. SYNC AppLink®² gives you voice control of compatible mobile apps, too.

APPLE CARPLAY & ANDROID AUTO COMPATIBILITY

Apple CarPlay®^{3,4} allows you to connect a compatible iPhone® and get access to features like:

- Apple Music®
- Siri® to send and receive hands-free text messages

Android Auto™^{3,5} allows you to connect a compatible Android™ smartphone to get access to features like:

- Google Maps™
- Google Assistant™ virtual personal assistant, for pass-through voice commands

ENGAGE WITH DYNAMIC AUDIO

The available Revel® and Revel Ultima 3D Audio Systems deliver finely crafted sound in full. With personalized listening modes like "Stereo," "Audience" and "On Stage," you have the freedom to experience different levels of sound immersion for any journey. Outstanding, multi-dimensional sound is courtesy of 14 carefully placed speakers in the Revel Audio System and 28 in the Revel Ultima 3D Audio System. Include advanced cabin correction tuning, QuantumLogic® Surround 3D sound technology and Revel Waveguides, and the level of precision isn't just heard. It's felt.

¹Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Certain restrictions, 3rd-party terms and data rates may apply. See your Distributor for details. ²Commands may vary by phone and AppLink software. ³Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁴Apple CarPlay and its functions are products of Apple® and its terms and privacy statements apply. Requires compatible iPhone and data plan. All features supported in Middle East countries are available. ⁵Android Auto and its functions are products of Google™ and its terms and privacy statements apply. Requires compatible Android smartphone with Android Auto app on Google Play™ and data plan. All features supported in Middle East countries are available.

Reassurance is yours, courtesy of our extensive collection of driver-assist technologies.¹ They utilize a network of sensors and sophisticated cameras to offer support in many scenarios, helping you feel confident in your Aviator SUV.

STANDARD LINCOLN CO-PILOT360™ 1.5

- Auto High-Beam Headlamps
- Blind Spot Information System
- Cross-Traffic Alert with Braking
- Lane-Keeping System:
includes Lane-Keeping Aid, Lane-Keeping Alert and Driver Alert System
- Pre-Collision Assist® with Automatic Emergency Braking (AEB):
includes Pedestrian Detection, Forward Collision Warning and Dynamic Brake Support
- Rear Parking Sensors
- Rear View Camera

MAKE EVERY JOURNEY A CONFIDENT ONE

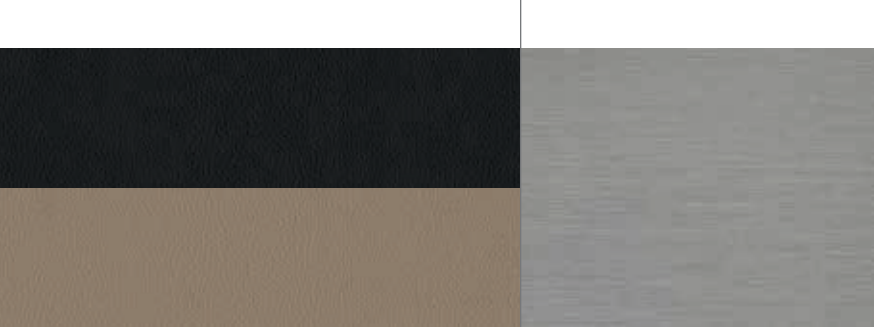

Driving the Lincoln Aviator® SUV imparts a sense of command. As you head toward your destination, the electric power-assisted steering (EPAS) provides easy, fluid control. Plus, Intelligent all-wheel drive (AWD) uses sensors to constantly monitor your grip on the road, giving you confidence and peace of mind.

A little extra assistance can go a long way. With available Lincoln Co-Pilot360 1.5 Plus, you have additional features on hand that can enhance your drive in order to help you feel confident and aware.¹

AVAILABLE LINCOLN CO-PILOT360 1.5 PLUS

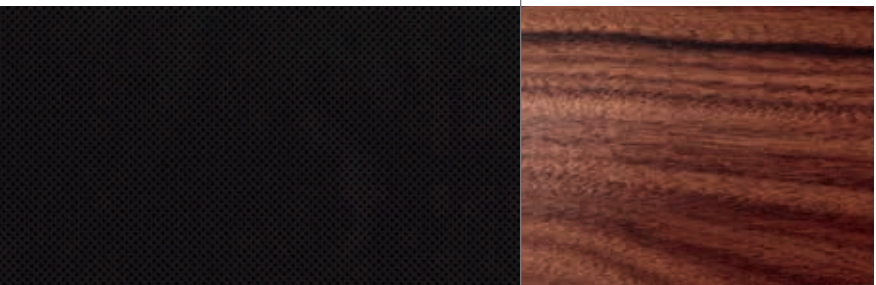

- Active Park Assist 2.0
- Adaptive Cruise Control with Stop-and-Go and Lane Centering
- Evasive Steering Assist
- Front/Side/Rear Parking Sensors
- Reverse Brake Assist

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations.

LINCOLN
AVIATOR®
PRESIDENTIAL

2023

LINCOLN PRESIDENTIAL

Your invitation to the ultimate in Lincoln craftsmanship and luxury. Our 2023 collection features carefully curated design themes inspired by the love of travel, architecture and more.

A UNIQUELY ELEVATED AUTOMOTIVE EXPERIENCE.

The Lincoln Presidential collection features premium leathers meticulously crafted to offer both a soft hand and outstanding durability. Custom perforation patterns and precise stitching give our exquisite interiors the perfect finishing touches. Premium exterior paints are designed to enhance the beauty of your Lincoln Presidential vehicle with a luxurious finish.

Lincoln Aviator® Presidential preproduction model shown.

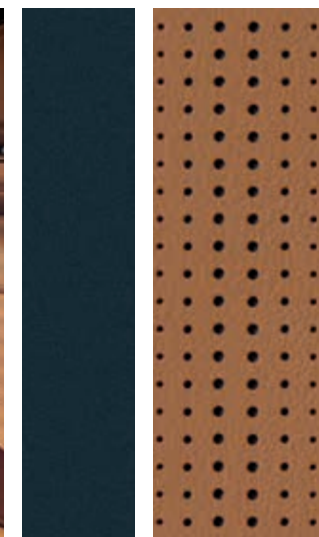

LINCOLN AVIATOR® PRESIDENTIAL

AVIATOR FLIGHT

Take control with the Flight theme. Luggage Tan-colored Savannah leather seating surfaces for the 1st and 2nd rows feature Runway perforation patterned inserts beckoning to your inner pilot. The suede-like feel of the Ebony-colored Dinamica® headliner further elevates cabin ambience, while Darker Full Engine Turn aluminum appliques feature a circular pattern that pays homage to the instrumentation inside early aircraft.

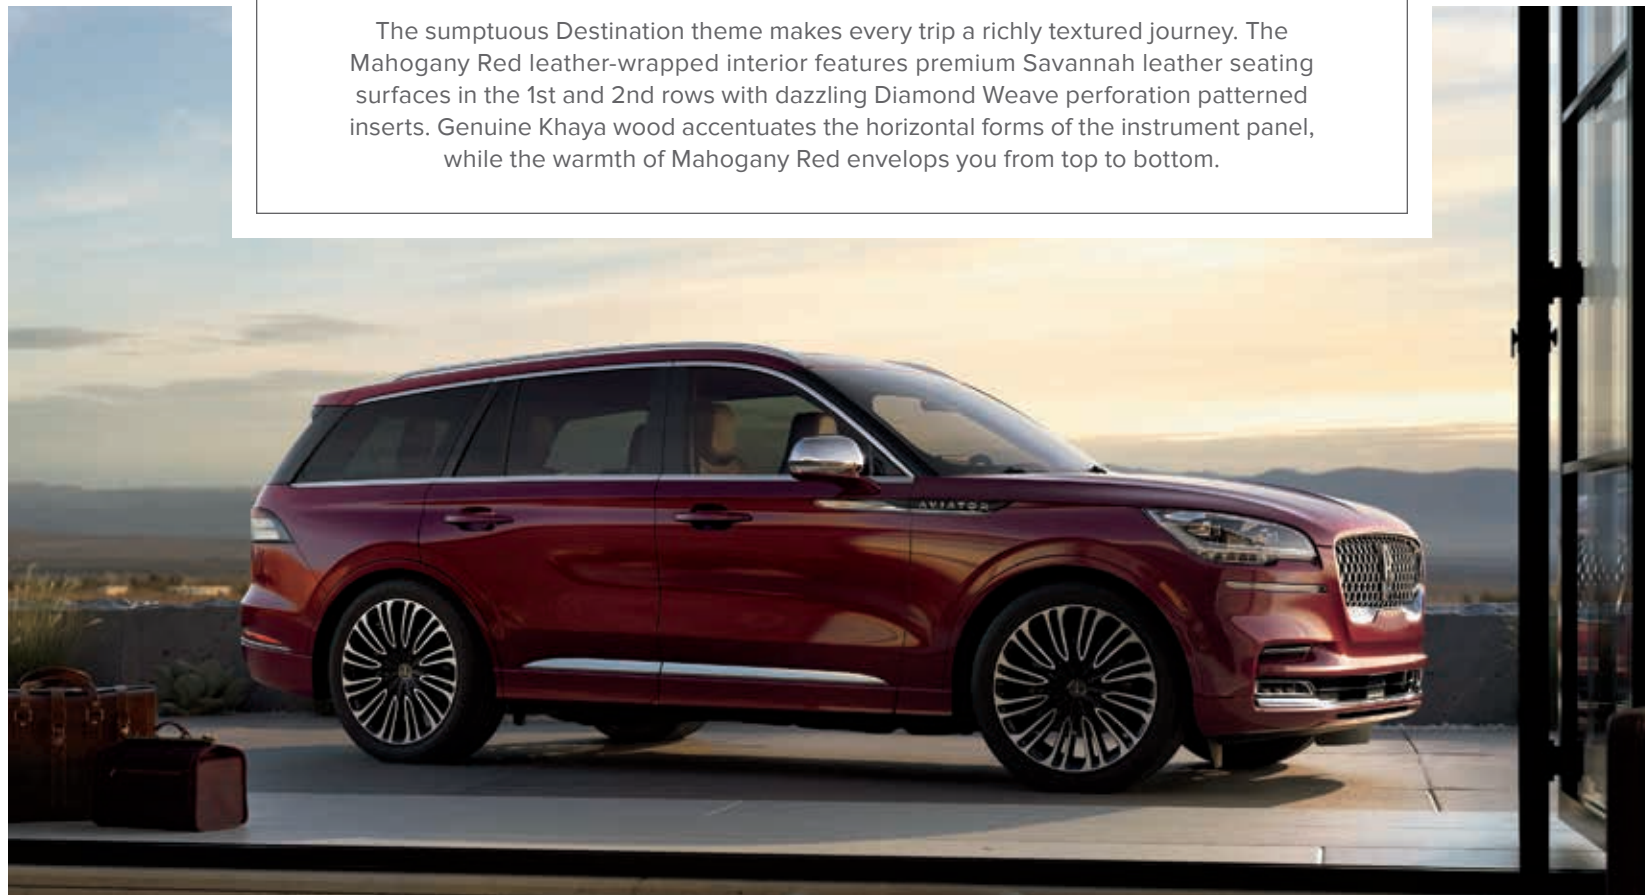

U.S. model shown. Screen display varies by market.

AVIATOR DESTINATION

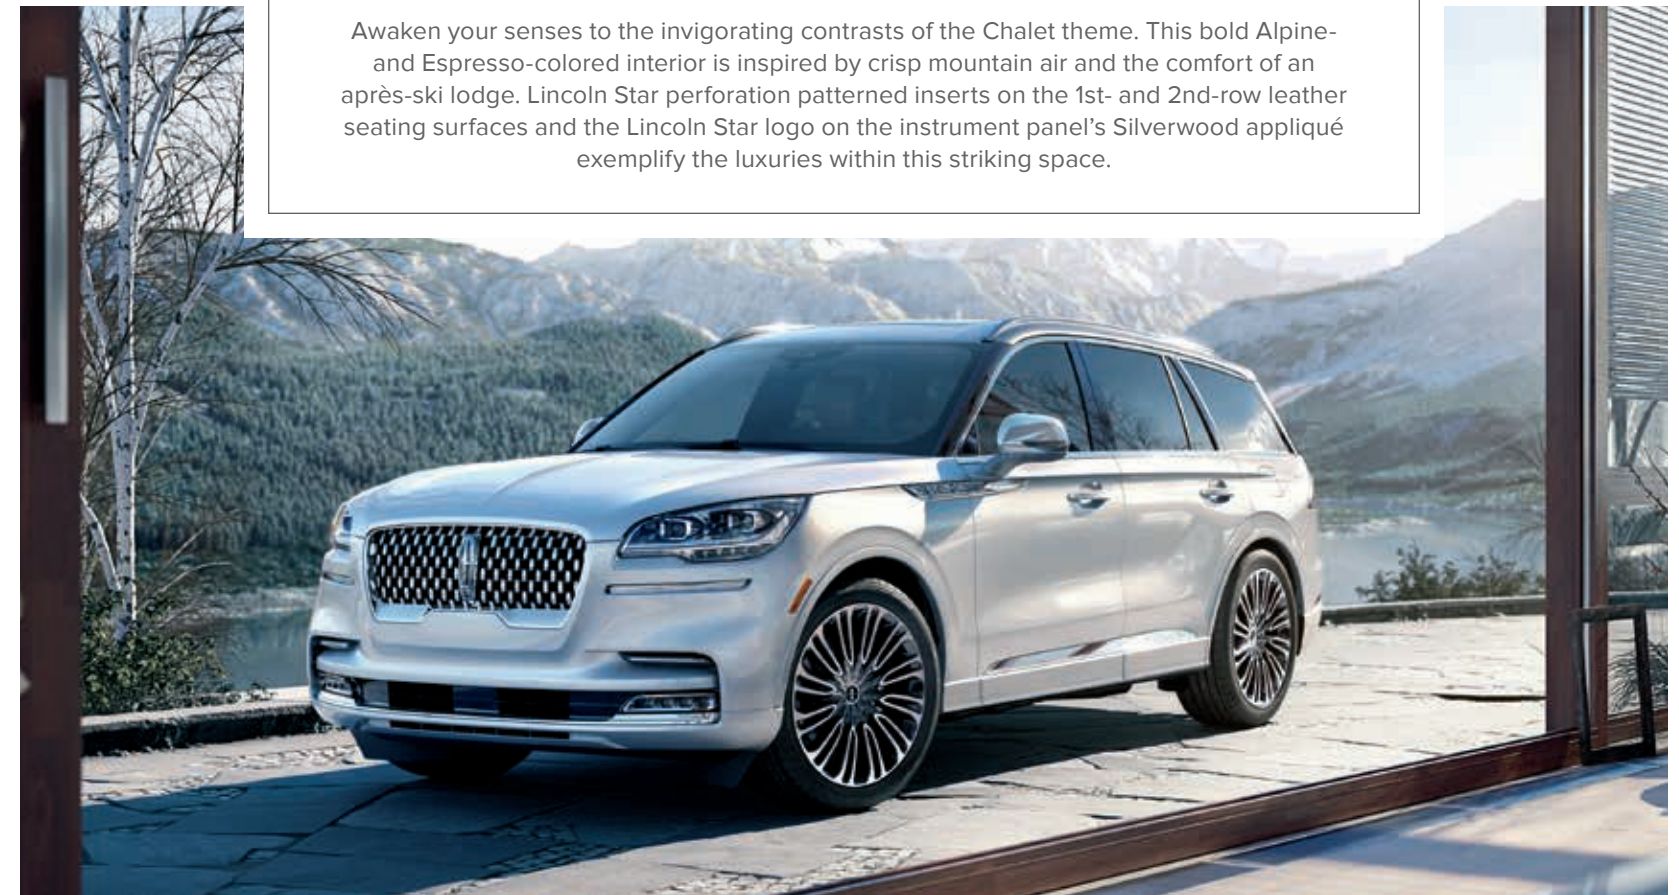

The sumptuous Destination theme makes every trip a richly textured journey. The Mahogany Red leather-wrapped interior features premium Savannah leather seating surfaces in the 1st and 2nd rows with dazzling Diamond Weave perforation patterned inserts. Genuine Khaya wood accentuates the horizontal forms of the instrument panel, while the warmth of Mahogany Red envelops you from top to bottom.

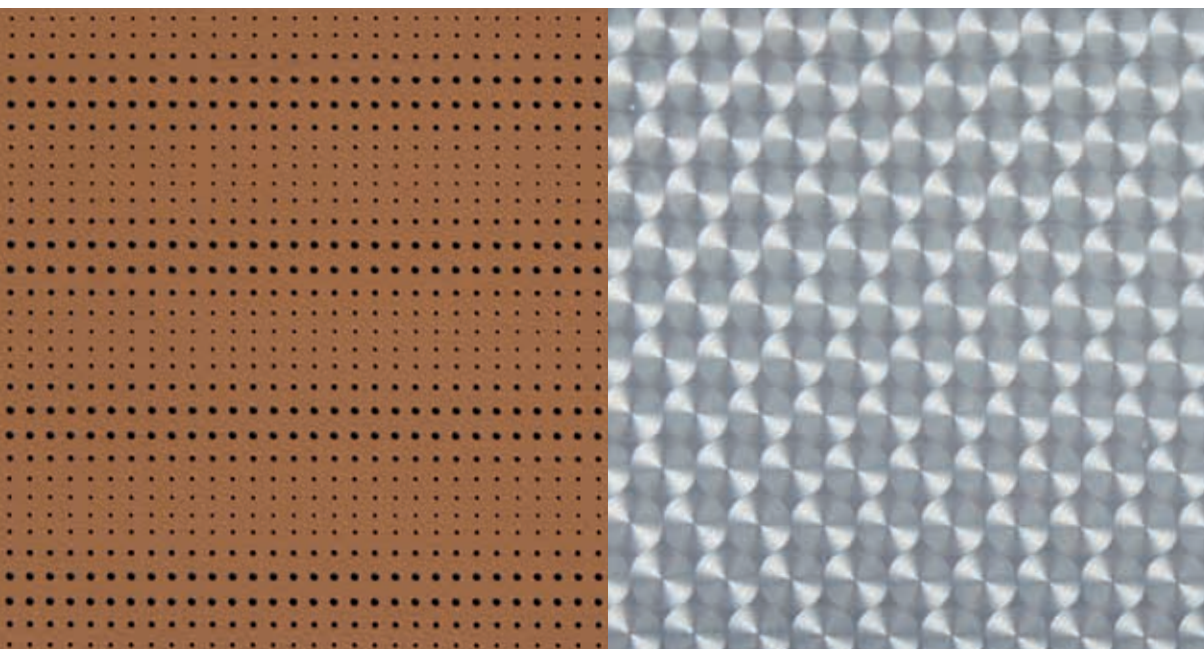

U.S. model shown.

AVIATOR CHALET

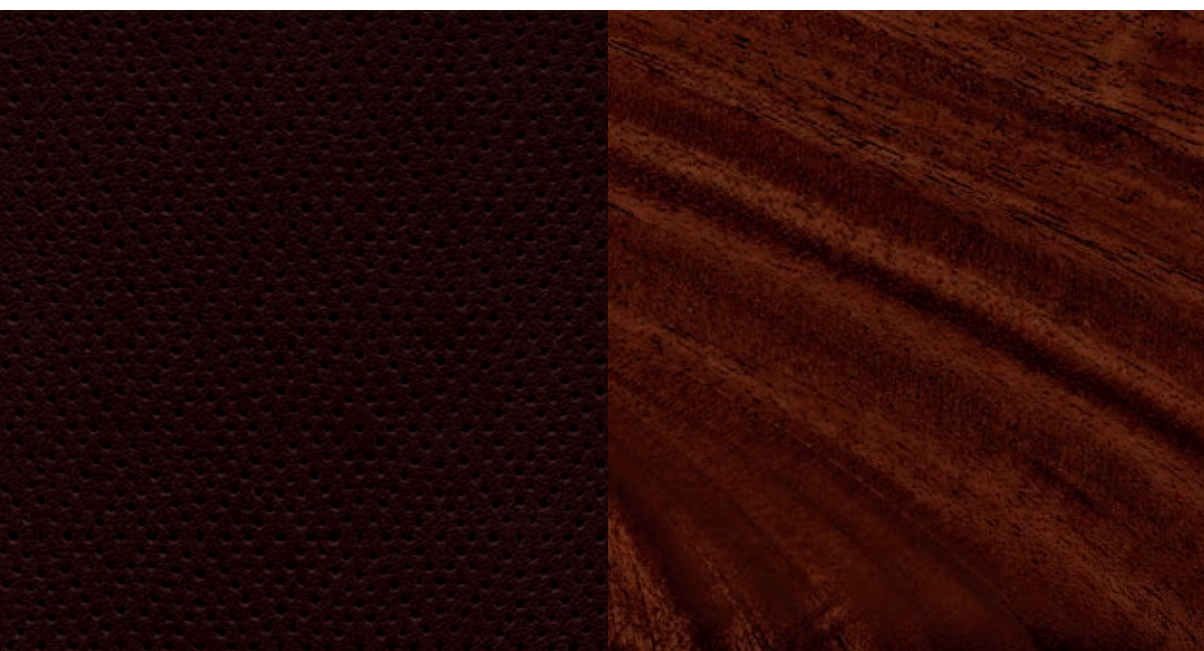

Awaken your senses to the invigorating contrasts of the Chalet theme. This bold Alpine- and Espresso-colored interior is inspired by crisp mountain air and the comfort of an après-ski lodge. Lincoln Star perforation patterned inserts on the 1st- and 2nd-row leather seating surfaces and the Lincoln Star logo on the instrument panel's Silverwood appliqué exemplify the luxuries within this striking space.

AN IMPORTANT MESSAGE REGARDING AVAILABILITY

As you may be aware, this is a time of high demand for new vehicles – and low inventory. Our industry is experiencing global supply-chain constraints. Unfortunately, the high demand combined with these supply-chain constraints is limiting our ability to build enough Lincoln vehicles. Everyone at Lincoln is working diligently – and creatively – to meet these challenges. What this means for you is that we may have limited or no availability of certain vehicles, models, and features. The vehicles produced may vary slightly from their description here. Please contact your local LinΔcoln Distributor for updates and assistance.

Comparisons based on competitive models (class is Large Crossover Premium Utility), publicly available information and Lincoln certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Lincoln makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Lincoln reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Lincoln Distributor is the best source of the most up-to-date information on Lincoln vehicles.
